

## STILL THEY BOOST

**Boosters Club Meet Monday Evening**  
Committee Report—Plans for Work  
Outlined—Committees Appointed  
—Petition to Council Authorized—  
Regular Meetings To Be Held—  
Toledo & Indiana Ry. Proffer use of  
Assembly Room.

Not so many boosters as usual met at the Montauk Club rooms Monday evening possibly because they had forgotten about it, but those who were present were enthusiastic, every member seemed to have caught the spirit of the slogan "This Town is Your Town" and to be anxious to make it the best town in the state in every way. If the Rainbow Boosters Club are determined to demonstrate that here is where the Rainbow touches. The meeting was called to order by president F. H. Reighard; minutes of last meeting were read and approved. Reports of committees were called for by the chair; Committee on Constitution and By-Laws reported progress but their work not yet completed. Slogan committee presented propositions for building an electric sign bearing the slogan "This Town is Your Town," from the Valentine Electric Sign Company of Atlantic City, New Jersey; considerable discussion was had upon the question of the current necessary to light the sign. After further consideration it was moved that the club withhold definite action on the electric sign for the present.

President Reighard reported fine progress in the town garden movement; thirty children have been assigned plots in the Greenleaf Gardens and have begun work. Messrs. Jordan Reighard and Greenleaf were kept busy Monday staking out the plots and helping the young gardeners get ready for the season's work. There is still room for eight or ten plots and as many boys and girls are wanted to take them.

Twenty boys and girls are registered as in competition for prizes on home gardens. It would be a difficult matter to tabulate and record all of the benefit that will be derived from these gardens both to the town and to each individual gardener; each boy and girl who plants and tends a garden this summer is a real booster for Wauseon for each one is doing something to add to the attractiveness of the town and besides doing this they will each one derive inestimable benefit from the work they do in intellectual and physical development and character building.

Mr. Stahl, president of the Chautauque Association, announced that the Chautauque will be held in Wauseon during the last week in August, 24th to 30th inclusive.

The club voted to make the second Monday evening of each month the time for the regular meeting and it was decided that an effort should be made to have an address on civic improvement, Agriculture, Education or Public Welfare at as many meetings as possible. The Secretary, Mr. Wolfe reported that Mr. Warren as manager of the Toledo & Indiana Ry. Co., had proffered the use of the T. & I. Assembly room to the club free of charge. Mr. Warren as representing the railway company was tendered a vote of thanks and the club accepted the hospitality extended. Later a motion was presented to make Mr. Warren an honorary member of the club which was carried unanimously. Mr. Warren was called upon for a speech and responded by stating that the Toledo & Indiana Railway Company were as much interested in the welfare and progress of Wauseon as the members of the club were and that they stood ready to co-operate with the club in every way they could to improve the town and work for its progress and prosperity. Another motion that prevailed was that a committee of four should be appointed by the chair who should canvass the community for new members. It was made clear that anyone who is interested in the work of making Wauseon the best town of its size in Ohio, whether such persons were residents of the corporation or not, were eligible to membership in the club. It is team work for the welfare of the entire community for which the club stands. The subject of beautifying the corner of Fulton and Beech street was discussed and the club voted to authorize the secretary to prepare and present a petition to the Village Council asking them to clean up and beautify that corner. The club adjourned to meet Monday evening June 8th in the Toledo & Indiana Assembly room.

### NOTICE

The Prohibition State Convention is to be held in Columbus Chamber of Commerce, June 4th and 5th. All the temperance workers in Fulton county are invited to attend this great gathering. State Chairman, R. R. Roberts predicts that it will be the biggest convention in the history of the State organization. Such men as Clinton M. Howard of Rochester, N. Y., Dr. A. S. Watkins of Ada, Okla., Vice-Presidential Candidate in 1908-1912, and other prominent speakers will appear on the program. This convention is the part of a great movement which will in the near future culminate the National Prohibition.

## ROLL OF HONOR

**Not Forgotten But Subscriptions and Money Come In Slowly—May is Most Gone—Possibility of a Whirlwind Campaign in The Near Future.**

Memorial Sunday and Decoration Day are at hand and the memory of the days long gone with faces and voices once familiar and dear is with us. All over this country wherever there is an old "burial ground," or cemetery, fluttering flags will mark the mounds of green where sleep the brave boys who once were their country's blue and in the waving shadows of those flags loving hands will place garlands of flowers, symbols of the loving memory in which the occupants of those graves are held in the hearts of their comrades. A few days of sun and wind and they will be withered and gone, only a few blades of grass to be gathered up and put out of sight. The flags brave in their bright red, white and blue will flutter in the breeze for awhile until rains and dew and sun have robbed them of their brave colors and they are only bits of faded tattered rags. Under the spell of Decoration Day there are some ways in which the loyalty that lesson needs to be taught to the youth of today, in the South where some of the best of our country's heroes are buried, the Fulton county home and loved ones and never returned. But the tide of time sweeps on and one by one the men and women who lived through and participated in the war time experiences of the sixties are passing on to join the loved ones who have gone on before.

This nation cannot afford to permit the example of these soldiers of the sixties to be forgotten. They have taught the lesson of loyalty, the bravery and the self sacrifice which are essential to the life of a nation whose government is of the people, for the people and by the people; that lesson needs to be taught to each succeeding generation. In the foregoing are contained some of the vital reasons why the Fulton county Memorial Association is in existence and why we are engaged in this campaign to raise the funds to build the Soldiers and Sailors monument in Fulton county. This is an appropriate time in which to consider these things and we feel sure that every citizen who will take the time to consider these matters and who has not previously contributed to this fund will be glad to do so and everyone can give something. During the week past V. W. Weeks has brought to the secretary \$300.00 which he had collected on subscriptions. Mr. Weeks is one of the most active of all the township vice presidents and is entitled to much credit for the work he is doing.

### HODGE-HILGER.

Mr. John Hilger of Milwaukee, Wisconsin, and Mrs. Bertha Hodge of Wauseon, were united in marriage by Rev. C. W. Hoffman Monday afternoon. The bride is well known here. She is a graduate of our public schools and for some time has been living in the home of Mr. F. J. Spencer. Mr. Hilger is a very fine young man and is now holding an excellent position. Milwaukee, Wis. He has the best wishes of a large circle of friends.

For mosquito bites, a bee-sting or for poisoning, apply Hanford's Balsam of Myrrh. It takes the poison out and cools the inflamed skin.

## DECORATION DAY

Sigh, gently zephyrs, from North land today;  
Tears bring from cloud land to weep by the way  
For our heroes, so silently sleeping;  
Join with us Nature, respond to our weeping.

Bring ivy and myrtle, bring laurel and pine;  
And that gem from the forest, the wild eglantine.  
From the valley the lily, the garden the rose;  
Bring emblems of valor, to mark their repose.

Go twine them in garlands and lay them above,  
Where they quietly sleep as our emblems of love;  
And that flag they defended, go plant where its waves  
May shadow the garlands that rest on their graves.

Who can but remember that word of command,  
At it ran with an echo the length of the land,  
"By the left flank, forward!" and down long the left  
With bayonets fixed, swept a whirlwind of death.

And they rolled back the clouds of secession and hurled  
From its staff the vile bars, that arch treason unfurled;  
And they severed the bonds that oppression enthralled,  
With malice towards none, but with justice to all.

How many were missing from roll call at night,  
How many were martyred for God and his right?  
That their places were vacant, you, comrades, can tell,  
For it was by your side that some of them fell.

None were more brave in the midst of the fray,  
None could be kinder as comrades than they,  
None more gentle at soothing our woe,  
And none were more valiant when facing the foe.

But liberty triumphed, the nation was saved,  
And the cause they upheld, and the flag that they waved,  
Still continues to wave; not a star from its post,  
Nor a stripe from its fold was out blotted or lost.

Now those that came out of that terrible strife  
Are one by one dropping to silence from life,  
Their spirits to heavens prepared for the just,  
Their ashes to ashes, their dust unto dust.

Can this nation repay for the peace that they won?  
Or can it forget the brave deeds that they done?  
A thousand times no! Be it ever our pride  
To honor those who so valiantly died.

## FREE OF DEBT

**First Christian Church Will be Free From Debt This Week. Mortgage Notes to be Burned at Special Service Next Sunday Morning. It is "Home-Stretch Day."**

The new Christian church building on Elm Street was erected in 1907. Since then the debt has been gradually reduced. This week will witness the payment of the last dollar of indebtedness, and next Sunday morning at a special service the mortgage notes will be burned.

One year ago \$2500 of debt remained, but \$1700 of this was paid in December. About two weeks ago the church board, at a special meeting, set May 31st as the limit for the balance. Solicitors have been busy and all the money will have been secured this week and paid. No public solicitation for money from the pulpit will be made next Sunday. Everybody can come simply to worship and enjoy the services. It is "Home-Stretch" day, in finishing up the debt of the church building debt, but in the Bible school, it is to be a great day. An effort will be made to have such an attendance as will bring the average for May up to 400 per Sunday.

The day promises to be an enjoyable one in good things for the advancement of God's Kingdom.

**WAUSEON**  
A city with an honorable past, a busy present and a brilliant future; famed for its beauty, culture, industry and thrift; rapid transit afforded by three steam railroads and one electric line, the home of Wauseon flour, Malleable iron works and Van Camp's Condensed Milk; the seat of Fulton county; a high school of the first rank, homes, churches, banks a public library and modern retail shops of attractiveness and activity.

A city of "Atmosphere, Achievement and Ambition" worthy of a greater development. The Wauseon Tribune is established for the enlightenment of this, thru the creators of a productive and public spirited civic consciousness.

The above was contributed by Donald W. Buren of the Harvard Law School, Cambridge, Mass. We are proud of the men who remember with pride the home town—as their town.

### OFFICERS WILL MEET.

The State Agricultural Commission has invited former institute officers and persons who want an institute in their community to meet C. R. Wagner at Court House, Wauseon, O., Wednesday June 3, at 9:00 a. m.

At this conference, the time and place of holding institutes, making program, advertising, items of legal expense and manner of conducting institutes will be discussed.

Increased demand for these meetings will undoubtedly result in many new places being given an institute next season.

The extent of assistance given to independent institutes and farmer club lecture will be taken up.

C. R. Wagner, Director of Farmer Institutes, will represent the State Commission.

### SUNDAY SCHOOL WORKERS

The Clinton township graded union will meet at the Library, Monday June 1, 1914, at 8 o'clock p. m.

The Union has decided to take a course in teacher training to help our Sunday School teachers get a better conception of the Bible.

Now if you are interested in teaching a better Sunday school class, just drop in and listen to Rev. J. H. Smith in his talk, "What is the Educational Need of a Sunday School Teacher?" and Mr. King in his address, "The Importance of Bible Study."

These addresses are forerunners of the work in the future. Please try to attend, because you cannot afford to miss this excellent work which we are now beginning.

## BASE BALL

**Wauseon Team Utilizes Open Date To Win a Victory Over The U. S. Malleables—Some Incidents of the Game and Predictions Concerning the Future.**

In a well played game Wauseon defeated the U. S. Malleables last Sunday by the score of 3 to 1.

The game was well played featured by several fine plays. The best one being a catch and throw by Funkhouser retiring Godt at the plate.

Wauseon has an opportunity of winning the pennant in the Trolley league by a close application to business and the strengthening of the short stop position.

With Selner at first, Leininger and Williams with a good fast fielding short stop Wauseon would be a contender for the pennant.

Next Saturday Wauseon plays the Barouth's two games, and will make a determined effort to cop them when they do not want Swanton to get too far ahead.

To much can not be said for the men who are making an effort to put Wauseon on the map in a baseball way and the citizens of the town should feel that this is their cause to a certain extent.

Last Sunday there were 40 men viewing the game from the railroad tracks, and it doesn't seem hardly fair to the players or the management to have this case.

Every one should realize that a ball team costs money and the \$10. that these men would have payed at the gate would have enabled the management to break even on this game.

Next Sunday Wauseon goes to Swanton.

Watch bills and billboards for particulars.

The Decoration Day attraction will be the Barouth's of Toledo who have a very strong aggregation and who will give the locals a real game from start to finish.

See sign board for particulars.

### WE ALL LIKE TO SING

### NOTICE

The Fulton County Fair Board will hold a meeting June 6th on the Fair Ground at 10 a. m. Any one desiring to meet the board will be welcomed at this meeting.

E. P. AMES, Sec.

### ADVERTISED LETTERS.

Mr. Jason I. Funk, Mrs. Cora Samlow, Care of P. Reitz.

Anyone calling for above letters will please mention that they were advertised.

J. F. OUTCALT, P. M.

One remedy with many uses. Hanford's Balsam of Myrrh.

### READ THIS.

On Wednesday evening, June 3rd, at its Castle Hall, the dramatic Club of Wauseon Lodge, Knight of Pythias, will put on the beautiful drama, "The Friendship of Damon and Pythias." This is the first lodge in Ohio to give this play in its newly written and most beautiful form, and those who have seen this company give it, without exception, pronounce it one of the most beautiful plays ever given in our city.

Remember, this is strictly home talent, but the work is of the highest type. Let every knight come and see it and bring his family and get an inspiration. The Lodge has just put in some very beautiful and new scenery for the purpose of giving this work.

We have been at large expense in purchasing scenery and new paraphernalia and have fixed a small admission fee of fifteen cents for entertainment better than most of the fifty cent shows.

There will be musical and other entertainment between the acts. Doors open promptly at seven-thirty p. m. and entertainment will commence promptly at eight.

### COMMITTEE.

**WAR TIME VERSE**  
Verses Written By One Of The Boys In Blue—Way Back In The Sixties—Names That Sound Familiar to Comrades Of The G. A. R.

On a slip of yellow paper worn thin by age and handling, with its possessor Mr. R. C. Skeels, far more than its weight in gold are the verses which we print below. To the comrades of Leisure Post G. A. R. of Wauseon, Ohio, the verses will bring memories of the brave men of the sixties, of Captain Skeels and gallant Co. E. of the 68th Ohio, and their enthusiasm for the cause they espoused as well as their confidence in the success of their efforts to put down the rebellion. Gallant Company E. in the sixties, a band of men full of the vigor and vim of early manhood, ready to do and to dare for the cause they believed to be right; men to be proud of, men to rely on; men in whose hands rested the fate of a Nation. Well may that Nation whose present greatness and prosperity was shaped and determined by such men as these, how in sincere and heartfelt reverence to the meagre ranks of those who still live to cherish the memory of the comrades who have fallen from their ranks forever. Well may this Nation honor the graves of those who have answered the last call.

—Well may ever community in this Nation register in some tangible and permanent form the honor and the expressions of gratitude which is their due.

It is to the memory of the loyalty and bravery and sacrifice of such men as these of "Company E" that Fulton should and will erect a monument.

### COMPANY "E"

By A. "Polek" in the 68th Air—"Dixie's Land"

Company E, with Captain Skeels, Will make the rebels take their heels, Away, away, away in Dixie's land.

We will teach them in due time, That Jeff's rebellion's quite sublime, Away, away, away in Dixie's land. I wish I was in Dixie—hurrah hurrah!

Company E will never run, But fight the rebels two to one, Away, away, away down South in Dixie.

Lyon and Bartlet go to fight, Believing God protects the right, Away, away, away in Dixie's land.

May they fight till this rebellion ends, And be restored to all their friends, Away, &c.

Our Orderly Sergeant, Charley Dickson, Will give the rebels "doudern blizzards," Away, &c.

Other Sergeants we'll review—There's Mortimer, Belding and Higley—Away, &c.

And William and Higley can't be beat, They'll fog the rebels quite complete, Away, &c.

Our Corporals will defend the law, With Pomorey, Jones and E. M. Shaw Away, &c.

They'll fight till rebels cry for peace, With Lingle, Taylor, Fowler and Reese Away, away, away in Dixie's land.

Richard would his foes suppress, And all his country's wrongs redress, Away, &c.

Our Quartermaster, Charles Cornell, Is prompt, and does his duty well, With Pomorey, Jones and E. M. Shaw Away, &c.

And John Mikesell, our musician, Well deserves a better position, Away, &c.

Culbertson's useful, too, you see, To beat tattoo and reveille, Away, away, away in Dixie's land.

We'll guard our flag with jealous care, None but the brave deserve the fair, Look away, &c.

### THE BOOSTERS ARE BUSY.

These are busy days along many lines. The Boosters of our fair city are doing good work. They seem to have the knack of doing things. We are indebted to them for their apt slogan. It means a great deal to us. It will make all concerned glad, because it goes underneath the whole of our various duties. The business men are proud of it. The wage-earners delight in it, the betwixt and between not, however, in any way the least, rejoice in it. It is worthy of a place in the center of our bosoms. To know that so many are interested in the welfare of Wauseon, is certainly gratifying.

My friends, EXCELSIOR!

One man asked:  
"How may I feel that Wauseon is my town?"  
The answer was:  
"One way of feeling that Wauseon is your town is by going to church next Sunday."

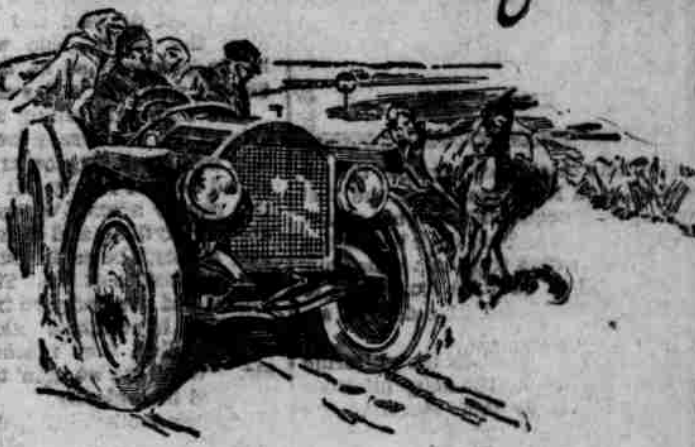

Did you catch the idea?  
"WAUSEON IS YOUR TOWN."

### NEW JURY COMMISSION.

Judge Scott appointed Mr. Hoch of Delta and Mr. Fred Grandy, jury Commissioners for Fulton county, last week. This commission was appointed under the new jury commission law, which provides that the common pleas judge shall appoint two commissioners instead of four as in the past.

Messrs. Hoch and Grandy met at the Court House Monday, the date required by law and began their work of selecting 300 persons qualified for jury work, from which the names of venirees will be drawn for each term of court for the ensuing year.

Under the new law the jury commissioners must be present each time names are drawn from the jury wheel. There also must be present at the drawing the clerk of courts, sheriff and common pleas judge. Under the old law only the clerk of courts and sheriff were present when the names were drawn.
